The format for the 2023 World Championships is as approved at the 2019 World Bowling Congress.

1. **Eligibility Rule 4.9**

4.9.1 To be eligible to enter athletes in IBF championships, federations must be current with their IBF and Zone membership fees.

4.9.2 Any athlete in the IBF championships must be a national of the country of the IBF member federation, which is entering him (subject to the exceptions below).

4.9.3 All disputes relating to the determination of the country which an athlete may represent in the IBF championships shall be resolved by the IBF Executive Board.

4.9.4 Exceptions

   a) An athlete who is a national of two or more countries at the same time may represent either one of them, as he may elect. However, after having represented one country in the Olympic Games, in world, continental or regional games or in world or regional championships recognized by the IBF, he may not represent another country unless he meets the conditions set forth below that apply to persons who have changed their nationality or acquired a new nationality.

   b) An athlete who has represented one country in the Olympic Games, in world, continental or regional games or in world or regional championships recognized by the IBF, and who has changed his nationality or acquired a new nationality, may participate in the IBF Championships to represent his new country provided that at least three years have passed since the athlete last represented his former country. This period may be reduced or even cancelled by the IBF Executive Board, with the agreement of the athlete’s National Olympic Committee and national bowling federation, which takes into account the circumstances of each case.

   c) If an associated state, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, if a country merges with another country or if a new member federation is recognized by the IBF, an athlete may continue to represent the country to which he belongs or belonged. However, he may, if he prefers, choose to represent his country or be entered in the IBF Championships by his new IBF member federation if one exists. This particular exception may be made only once.

   d) Furthermore, in all cases in which a competitor would be eligible to participate in World Championships, either by representing another country than his or by having the choice as to the country which such competitor intends to represent, the IBF Executive Board may take all decisions of a general or individual nature with regard to issues resulting from nationality, citizenship, domicile or residence of any competitor, including the duration of any waiting period.
2. **Eligibility/Qualification Rule 5.2**

5.2.2

a) In the World Championships (for men and women) 32 men’s team and 32 women’s team will qualify to participate

b) The host federation is qualified with one men’s and one women’s team
c) The remaining 31 teams will be distributed among the zones and the number of teams from each zone will be decided by how many member federations there are in each zone relative to the total number of member federations in good standing on 1st of January two years ahead of the year of the championship.

No. of Qualifiers per Zone:
The number of qualifiers per zone is based on the total number of IBF federations as January 2021 and the total number of IBF federations at this date was 109.

5. Practice Rule 5.4

5.4.1 The athletes of each federation shall be nominated prior to the start of the official practice.

5.4.2 Minimum one day of official practice must be provided immediately prior to the start of the championship. One hour practice is required for each federation. However, if the competition lanes are not available for unofficial practice immediately prior to the official practice, two days of official practice will be required with two hours for each federation the first day and one hour for each federation the second day.

5.4.3 Each federation will have one session of official practice.

5.4.4 After the lanes have been prepared and the official practice concluded, no play whatsoever by the participants of the championships shall be allowed on the competition lanes during the entire duration, except the championships proper. This will not preclude efforts (e.g. exhibition) to promote bowling before, after or in between events. However, this does not allow any play by participants on the competition lanes after the last event of the day when the bowling centre is available to the public for open bowling. Violators are subject to disqualification.

5.4.6 Notwithstanding 5.4.4, IBF tournament management may, in their sole discretion, allow warm-up on championship lanes in circumstances in which athletes are required to compete on lanes not previously used in the championships, or lanes that have been retired in the championships.
