The World Tenpin Bowling Championships for Youth (World Youth Championships) will be conducted in accordance with Chapter 4 and Chapter 6 of World Tenpin Bowling Association Statutes and Playing Rules as of January 2014.

1. Introduction of Hong Kong, China

Hong Kong is situated on the southeast coast of China at the mouth of the Pearl River facing the South China Sea. Covering an area of 1,104 square kilometres (425 square miles). It comprises Hong Kong Island, Kowloon and the New Territories, which includes 262 outlying islands. At the core is Victoria Harbour, which separates Hong Kong Island from Kowloon and beyond that, the New Territories that runs up to the boundary with Mainland China. As well as making up the bulk of Hong Kong's land mass, the New Territories also incorporates 262 outlying islands, including Lantau where the airport is located.

Under the unique principle of 'One Country, Two Systems', Hong Kong returned to Chinese sovereignty on 1 July 1997 as a Special Administrative Region of the People's Republic of China. This arrangement allows Hong Kong to enjoy a high degree of autonomy, retaining its capitalist system, independent judiciary and rule of law, free trade and freedom of speech.

Hong Kong offers a host of memorable tourist attractions within its compact area, with The Peak, Victoria Harbour and the Giant Buddha among the most awe-inspiring. You'll be amazed by the diverse contrasts and close proximity of stunning cityscapes and soaring mountains, heritage sites and extensive green countryside. Whether you are a vacationer, nature lover or cultural explorer, Hong Kong can cater for your every desire. Discover the myriad things to see and do in one of the most diverse and exciting destinations in the world.
