4. Various Facilities and Services

Website

Various information related to the WYC 2018 will be available at worldbowling.org no later than January 1, 2018 including all necessary information.

Press Area

One meeting room will be used for the press. Space will be provided for approximately 40 press officials.

All press officials will be connected through a wireless network to access the internet at no cost. Press officials are expected bring their own laptops. A printer will be available.

Press Conferences

Sufficient space for press conferences will be provided after the conclusion of each discipline and/or when necessary.

Result Services

The latest technology will be in use both for the press officials and for accumulation and presentation of scores and standings. Scores will be shown in the venue on appropriate display units. Online results will be available as well.

Bus Services

All delegations of the championships staying in the host hotel will be met in the Detroit International Airport. Similar service will be provided for departures. Similar service on a scheduled basis will be available between the host hotel and Thunderbowl Lanes.

Equipment Storage

Ball Park in the bowling center will be used to store the equipment. A secure system for storage will be in place. There will be an easy and short distance from Ball Park to the lanes.

Farewell Banquet

The banquet will be held on August 3 in the evening at the Henry Ford Museum. Transportation from the official hotel will be provided for all registered members of delegations.

Lane pattern

As of January 1, 2016 only one pattern will be used for all disciplines in the championship.

The lane pattern bank to be used is Bank 40.

The selected pattern within that Bank will be announced at the Team Managers meeting July 25, 2017.

Scoring system

As of January 1, 2018 new rules passed by the 2017 Congress went into effect. One such rule was the use of the modified current frame scoring system at the 2018 WYC. World Bowling has since determined that the scoring system in use at the host center, Thunderbowl Lanes, cannot be synced with the new scoring system; the result would be that scoring by hand would be required. The World Bowling Executive Board has amended the test use of the modified scoring system, by removing its use at the 2018 WYC, and requiring its use at the 2019 World Junior Championship. Thus, the scoring system to be used at the 2018 WYC shall be the traditional system that has historically been used.

Team Manager designation

During the Championships the registration of Line up for each discipline must be done online. You must nominate at least one of your officials as Team Manager in Form E because our system will create a Password to the Team Manager. If you want anyone else to do the Line-up registration you can of course share the login information with that person in your team.

Pro-Am

In order to drive media and public awareness in the Detroit area a Pro-Am will be held July 25 at 10:00 to 12:00; unofficial practice lanes may not be available during this time.

We will need between 25 and 50 athletes volunteering to participate, in uniform.

Participating athletes will receive a thank-you gift from World Bowling. A Request to Participate Form will be sent to all participating federations after June 15.

Athlete Luncheon

In order to drive media and public awareness in the Detroit area a luncheon will be held July 26 at 11:00 to 12:00 in the bowling center. We will need 20m athletes volunteering to participate, in uniform. Participating athletes will receive a thank-you gift from World Bowling. A Request to Participate Form will be sent to all participating federations after June 15.

Detroit Tigers

The Detroit Sports Commission is negotiating with the Detroit Tigers Major League Baseball team for seat availability and price for their game on July 31 against the Cincinnati Reds. We anticipate that an optional tour will be available from the headquarters hotel to the baseball stadium and return to the hotel that night. We will advise of details and price (which will be the cost of bus transportation and baseball game admission) after June 15.

Victory Banquet

The victory banquet will be held at the Henry Ford Museum of American Innovation, one of the top ten museums in the USA. There is a very large collection of automobiles

along with the history of the development of many innovations throughout history. You may see more at: <https://www.thehenryford.org/>
